LIST OF CHARACTERS

CHARACTER NAME AND OCCUPATION		CHARACTER DESCRIPTION	COSTUME SUGGESTIONS
	<p>JASMINE AURORA <i>Interim Chief Executive Officer</i></p>	<p>The domineering Jasmine Aurora is the recently appointed interim Chief Executive Officer at Worldwide Prestige, Inc. It's common knowledge that Jasmine slips by with minimal hours and nominal efforts but she morphs into a horse of a different color the instant any member of the Board of Directors arrives on site. A self-riotous hypocrite that is on vacation more than she is at work, Jasmine rules with an iron fist and has demoted, even <i>fired</i> employees over minor violations of punctuality!</p>	<p><i>Formal business attire.</i></p>
	<p>MISTY RAINBOW <i>Director of Employment</i></p>	<p>Hide the corporate ladders! Misty Rainbow is the unappeasable ladder climber of Worldwide Prestige, Inc. Only six months ago, her neighbor helped her land her first gig in the mailroom and ever since, she's clawed and connived her way to the lucrative position of Director of Employment in the Human Resources subdivision of the company. The moody and insensitive Misty is anything but trustworthy and some say she'd push her Granny in front of a train if it meant more money and a bigger title!</p>	<p><i>Formal business attire. Copies of a fake resume to slip to your superiors as an optional prop.</i></p>
	<p>STONEY OXADODDY <i>Chief Operations Officer</i></p>	<p>Stoney Oxadoddy is the sly Chief Operations Officer that journeyed a scandal-tinged path to the top position of Chief Operations Officer. Stoney started in a low-level management position and worked into the executive offices in five years. Many of Stoney's promotions were based upon his/her discovery of huge blunders in paperwork. Over the years, Stoney reported these errors directly to the CEO, Eric Wilde, and once even saved the company from a \$20,000 loss! However, rumor has it that <i>Stoney</i> is the one who actually made the mistakes but blamed them on his/her superiors to the CEO! Great advice is to never turn your back on Stoney!</p>	<p><i>Formal business attire.</i></p>
	<p>CALYX LOVAGE <i>Executive Assistant to the CEO</i></p>	<p>Calyx Lovage is the whiney executive assistant to the Chief Executive Officer. Calyx suffers from a severe lack of confidence and low self esteem and these deficiencies will most likely keep Calyx in the same position for the remainder of his/her career. The grapevine gossipers maintain that the missing CEO, Eric Wilde, recently discovered that Calyx fabricated his/her resume to get the Executive Assistant job a couple of years ago. Nobody knows the outcome of that issue as the CEO recently disappeared and Calyx still has his/her job.</p>	<p><i>Semi-formal business attire. Remember, you have a very low self esteem so nothing flashy. A toy gun (concealed) as an optional prop.</i></p>
	<p>QUINCE FROST <i>Chief Financial Officer</i></p>	<p>Quince Frost is the uber-quiet Chief Financial Officer at Worldwide Prestige, Inc. Quince lurks in the shadows of the halls avoiding contact with others at all costs. If you send an email to Quince, don't leave your office because you're bound to receive an immediate phone call in return as Quince refuses to put anything in writing. This drives everyone at the company nutty as Quince is extremely elusive to speak with and you can't get a straight answer from Quince no matter how hard you try! Some people swear s/he is up to no good!</p>	<p><i>Formal business attire. Choose monotone colors as you are not trendy and do not want attention. Mirrored sunglasses as an optional prop.</i></p>
	<p>MUGWORT BUTTERCUP <i>Executive Director of Internal Audit</i></p>	<p>Mugwort Buttercup is the tenacious Executive Director of Internal Audit at Worldwide Prestige, Inc. Reporting directly to the Board of Directors, Mugwort struts around the company as if s/he were privileged royalty. Mugwort and his/her team keep an inflexible control over all aspects of financial compliance and employee relations. Mugwort takes his/her job extremely serious and even drives to employees' homes to document how they're spending money. If s/he finds they are living above their means, a full blown investigation ensues!</p>	<p><i>Extremely conservative and slightly nerdy formal business attire.</i></p>

ROCK IVY
Chief Administrative Officer

The Chief Administrative Officer at Worldwide Prestige, Inc. is Rock Ivy - the manic bipolar disorder sufferer. One minute Rock is your friend talking about last weekend's fishing trip and the next he is screaming at you over a typo you made on a daily memorandum about Hawaiian shirt day! You never know what you'll get when you speak to Rock so most people only go to his office as a last resort! It's no surprise, but Rock doesn't have real friends of his own so he mandates the employees in his division attend his private parties at a local bar every week. He makes it very clear that if you skip the weekly festivities, you'll pay for it dearly on Monday! Maybe even with your job!

Formal business attire. Fake pill bottles as an optional prop as your character is on multiple medications for bipolar disorder.

STORM WORMWOOD
V.P. of Human Resources

The award for the most nauseating employee at Worldwide Prestige, Inc. goes to...**Storm Wormwood**. Storm created the phrase 'beef up your resume' as he was employed as a lady's shoe salesman at Macy's Department Store immediately before landing the prestigious title of Vice President of Human Resources at Worldwide Prestige, Inc. Not even Sherlock Holmes himself could sleuth how Storm pulled that one off! But everybody does agree that he is a very smooth talker!

Formal business attire. Business cards with a 'beefed up' title of Executive Senior Vice President to annoy your coworkers as an optional prop.

RIO FOX
V.P. for Public Affairs

Hold on, I'll get right back to you on that. I have to call my father and ask what he thinks about it first! Rio Fox, the charismatic Vice President for Public Affairs, secretly calls his father for advice about absolutely everything. Rio doesn't tie his shoe unless his dad says it needs it!

Formal business attire. A cell phone to call dad is a must.

BLAZE WINTERS
V.P. of Research

Blaze Winters is the obnoxious Vice President of Research. Lacking a filter for both voice volume and content, he speaks his mind without a care in the world about who is listening. A long-timer at Worldwide Prestige, Inc., Blaze is anything but tolerant of the new recruits and isn't ashamed to let them know how he feels. Blaze is somewhat amicable for the most part but has a very short fuse that you want to keep even the tiniest spark far away from!

*Formal business attire. *This character is supposed to be 'older' than most. If played by a young man, he should wear a gray wig.*

BASIL MAPLES
Senior Legal Counsel – Litigation and Legal Policy

Basil Maples is the abrasive Senior Legal Counsel for Worldwide Prestige, Inc. He leads the Litigation and Legal Policy Department by intimidation and thrives on those that are fearful of him. The water cooler gossips claim that Basil finished his law courses online during work hours while he was the Director of Marketing. During that time, he allegedly bullied his employees to cover 100% of his responsibilities – even *personal* ones like picking up his laundry, going to the grocery store, picking up his family from the airport, etc! Must be nice to collect a huge paycheck while attending school and having personal assistants!

Formal business attire.

KYO HUALING
Director of Global Relations and Research

Kyo Hualing is the lazy Director of Global Relations and Research. Due to a new hiring strategy in Human Resources, he was hired straight out of college. Kyo gladly accepted the high-status title 8 months ago and has done nothing but under impress everybody in the company since *day one*. This rookie lacks shame; however, as he constantly admits during meetings that he is unable to do the tasks that are assigned to him and uses the excuse that he's 'still in training.' Everybody wonders when the executives will finally have enough of his slothful behavior.

Formal business attire. Un-ironed, un-tucked shirt and tie tied incorrectly.

GINGER BELLADONNA
Executive Assistant to the Chief Financial Officer

Ginger Belladonna is the spunky Executive Assistant to the Chief Financial Officer. Ginger is well loved and appreciated tremendously as she accommodates everybody's needs - even at her own expense. Ginger would like to attend community college at night to earn a nursing degree but has been working late unpaid hours helping her subdivision keep up with their ever-growing workload! As bad as she wants it - she's not sure if now is the time to focus on her own needs, dreams and desires.

Very trendy and young looking business attire.

	<p>KASSY SAFFRON <i>Director of Marketing</i></p>	<p>Kassy Saffron is the sassy and hyperactive Director of Marketing. She speaks her mind and lives for confrontation. Once, in a fit of road rage on the way to work, she chased a truck load of unsavory men into the seedy part of town just so she could 'tell them off' for swerving into her lane! A sage word of advice is: do not cross Kassy Saffron as there is no doubt you'll regret it.</p>	<p><i>Formal business attire. Suit should be very bold – bold colors, bold print for the blouse, scarf, etc. Cigar as an optional prop.</i></p>
	<p>ANGELICA VENUS <i>Senior V.P. of Technology Infrastructure</i></p>	<p>The overly-anxious Angelica Venus is the Senior Vice President of Technology Infrastructure. Angelica was recently promoted to the Vice President position and soon after, received a second promotion as a <i>Senior Vice President</i>. Rumor has it that she got the second promotion as a confidence booster to help relieve her anxiety and cure her issues of self-doubt. It appears as though it only served to make it worse as Angelica is a complete bundle of nerves waiting to explode at any moment.</p>	<p><i>Formal business attire.</i></p>
	<p>KEISHA MISTLETOE <i>Senior Risk Officer</i></p>	<p>Keisha Mistletoe is the high maintenance Senior Risk Officer at Worldwide Prestige, Inc. No stranger to top designer fashion and expensive jewelry, Keisha enjoys strolling through the halls of the company flaunting her new expensive wares to the women staff members. Nobody knows where Keisha gets the money to buy such luxurious items. How much could a Senior Risk Officer get paid, anyway? The answer is clear - not enough for what she's sporting around town!</p>	<p><i>Formal, very expensive and fashionable looking, business attire. Flashy costume jewelry. Fake money in wads in every pocket as optional props.</i></p>
	<p>WOODY NIGHTSHADE <i>V.P. of Environmental Health and Safety</i></p>	<p>Woody Nightshade is the overly blunt Vice President of Environmental Health and Safety. Woody is an extremely hard worker and does a superb job leading the EH&S Department, but personally suffers from a severe case of Obsessive Compulsive Disorder. Woody's antics of hand washing and hypochondria drive his/her employees to the brink of office insanity!</p>	<p><i>Formal business attire. Any type of safety equipment such as hand sanitizer, a dust mask, etc.</i></p>
	<p>SAGE SORREL <i>Director of Advertising</i></p>	<p>Sage Sorrel will do absolutely anything to please the Executives of Worldwide Prestige, Inc. Sage waits in his/her office every day to time his/her walk to the parking lot with the executives. Sage eavesdrops to find out where the executives might go after work and then 'by coincidence' ends up going to the same location. Sage does have a family at home but has put Worldwide Prestige, Inc. a <i>top priority</i> at all costs. Who knows what Sages' motive is for doing this but most likely, Sage shouldn't be trusted.</p>	<p><i>Formal business attire.</i></p>
	<p>RAINE HUCKLEBERRY <i>V.P. of Tax Policy and Planning</i></p>	<p>The calm Raine Huckleberry is possibly one of the nicest and most helpful employees at Worldwide Prestige, Inc. Raine is a long-time executive who is an expert on the inner workings and history of the company. Raine is an excellent source of information and mentorship. However, the word is that Raine might have a hidden dark side but nobody has been able to prove that.</p>	<p><i>Formal conservative business attire.</i></p>
	<p>LAUREL HOLLY <i>V.P. of Business Development</i></p>	<p>Laurel Holly is the shy and reserved Vice President of Business Development. For such a high profile position, Laurel's personality certainly doesn't <i>fill the bill</i>. However, Laurel does have a veiled charm that, when push comes to shove, s/he can use it to get what s/he wants.</p>	<p><i>Formal business attire.</i></p>

**SKYE
BALSAM**

Director of Healthcare

Skye Balsam is the extraverted Director of Healthcare of Worldwide Prestige, Inc. A caring general practitioner, Skye oversees the medical clinic at the headquarter campus. The employees admire Skye, but a visit to the corporate clinic might land you in the waiting area for hours as Skye loves to talk to his/her patients!

Formal business attire. Any type of medical equipment (i.e. lab coat, tongue depressors, etc.) as optional props.

**TALON
INDIGO**

V.P. of Finance and Purchasing

Where's Talon? Oh, it's Friday, never mind... That's a common phrase in the hallway on Fridays when someone needs Talon Indigo's assistance. This sluggish Vice President of Finance and Purchasing has a host of so-called medical issues that cause his/her absence from work *on Fridays...*and nearly *every* Friday at that! Not the most energetic of employees, Talon squeaks by with the bare minimum to not get fired. Nobody knows exactly how Talon ended up with a VP title with his/her poor work ethic!

Formal business attire.

**REED
ANOCHO**

Director of Corporate Dining Services

Hailing from South America, Reed Anochi often portrays that s/he has doesn't comprehend the English language but some say that Reed actually speaks *perfect* English when s/he thinks nobody's listening! Reed is the Director of Corporate Dining Services and has been with Worldwide Prestige, Inc. for only a few months. The menu, however, was recently revamped to include only dishes with a super spicy South American flare. Some employees are growing quite unhappy with this new daily selection.

Formal business attire with a South American flare (i.e. colorful Latin-style shirt/ blouse, etc.)

**BRIAR
GARLAND**

Director of Corporate Wellness

Briar Garland exists on a diet of protein shakes and supplements and spouts out nutritional guidance to anyone with time to spare. Briar runs a tight ship with the corporate wellness program and manages the workout center as if it alone were a fortune 500 company.

Formal business attire – or – wear trendy work out attire and show muscles if you have 'em.

**ROSEMARY
ASTER**

Vice President of Asset Management

Be careful with your choice of words while speaking with the glamorous Rosemary Aster. This overly sensitive Vice President of Asset Management analyzes every word and will obsess for days over anything she deems the slightest bit negative. Rosemary gives a new meaning to the phrase 'walking on eggshells!'

Glamorous evening attire.

**PEPPER
LOTUS**

Vice President of Purchasing

Pepper Lotus is no stranger to the use of power to control inferiors – both on and off the clock! It's no surprise that everyone in her division, i.e. Pepper's Puppets, compete to be the personal best friend to Pepper. If you are in the purchasing Department, do whatever Pepper wants - on and off the clock - and all will be well.

Formal business attire. Multiple credit cards as optional props.

**KIZZIE
WINTERGREEN**
*Director of Corporate
Relations*

Kizzie Wintergreen is the unapproachable Director of Corporate Relations. Kizzie proclaims she avoids people because she is closer to animals than humans. She is difficult to deal with and extremely socially awkward but does let her hair down during corporate functions. In fact, she often unveils a wild side that's far too much for most people to handle.

Formal business attire. Pictures of animals as optional props.

**DILL
FEVERFEW**
*Vice President of
Postal Services*

Dill Feverfew is the outrageous Vice President of Postal Services. Dill is married to an heiress that refuses to allow him to sit idle all day in their mansion so he works at Worldwide Prestige, Inc. to make his bride happy. However, Dill definitely doesn't show career aspirations and everybody is certain that his prestigious title was 'arranged' by his wife's powerful family.

Trendy, yet casual business attire. No tie- you don't care about impressing anyone.

**MYRON
GALAXY**
*Director of Corporate
Investor
Communications*

Myron Galaxy is the fun-loving prankster and hilarious Director of Corporate Investor Communications. If you are ever in need of a cheer up - go to Myron's office and he'll perform a bit of standup comedy for you. The employees of the company all love Myron and know to take only half of what he says seriously. Myron is probably the most dedicated employee at Worldwide Prestige, Inc. and definitely the most fun to be around.

Formal business attire. Any type of practical joke item (i.e. post it note pad, whoopee cushion, etc.) as optional props.

**JAG
WISTERIA**
*Director of
Transportation*

Jag Wisteria is the uncouth Director of Transportation at Worldwide Prestige, Inc. Jag's a bit of a 'good ole' boy' and has archaic views of society and social interactions. He's definitely not known for saying the right thing or doing what is proper in any given situation. He blames his ill-mannered behavior on his 'country upbringing.'

Formal business attire with a western shirt and western string tie. Cowboy hat and boots as an optional accessory.

**ROAN
HICKORY**
Comptroller

Roan Hickory is the antisocial Comptroller of Worldwide Prestige, Inc. As if Roan stepped out of a cave of isolation for thirty years, s/he has no idea how to interact with others and therefore speaking with Roan is always unnerving and difficult. No one is immune to the uncomfortable stares and pauses during the unwarranted conversations. Some employees swear the room drops in temperature when Roan enters!

Strange (i.e. something from another decade) yet formal business attire.

**LINDEN
CHERRIE**
*Director of Corporate
Training*

Linden Cherrie is the needy Director of Corporate Training at Worldwide Prestige, Inc. Linden refuses to come to work even 1 minute early and dashes to the parking lot at 5:00 PM sharp! Also, it's ironic that the one responsible for all of corporate training has to beg employees in the training Department to complete all projects for him/her since s/he doesn't have a clue as to how anything functions in the company. Linden believes that having a job means being present from 8 to 5 without much beyond that.

Formal business attire.

NOVA MEADOWS
V.P. of Engineering

A lawyer by training and an ex-CEO of three failed corporations, Nova Meadows is the capricious Vice President of Engineering at Worldwide Prestige, Inc. The productivity in the Engineering Department has plummeted since this world traveling *anti-King Midas* accepted the position last November. To nobody's surprise, news leaked out a few days ago that Nova is actually the cousin of a member of the Board of Directors and they both often take extended European vacations together quite frequently. The mystery is now solved on how Nova landed the job.

Formal business attire with any type of European souvenirs (i.e. a leather belt from Italy, suspenders from Germany, etc.)

ROMY ALOE
Director of Corporate Financial Planning and Analysis

It's without a doubt that Romy Aloe lacks a brain of her own. Romy has consultants within the corporation that she relies upon for advice for any task she's assigned. She is a stern advocate for Misty Rainbow and many wonder what type of wicked spell Misty must be holding Romy under as her loyalty seems bottomless.

Formal business attire.

OLIVE SILVERBUSH
Manager of Corporate Travel

The lunchroom gossips all say that Olive Silverbush must have crawled directly out of a *Beverly Hillbillies* episode! Olive is far from refined or educated but is the hard-working Manager of Corporate Travel at Worldwide Prestige, Inc. A few months ago, Olive finally passed her GED exam in lieu of the high school diploma she never earned. She was acknowledged and received an award during a lunchtime ceremony hosted by Eric Wilde, the now missing CEO, for her accomplishments.

Very tacky business attire. Hair in braided pigtails.

POPPY RUE
Manager of Corporate Events

Did you guys go without me to the vending machines? How dare you! Those words often echo from inside of Poppy Rue's office! Poppy will 'flip out' if she feels left out of *any* social situation – even if it is two colleagues walking to the vending machines without her! Talk about high maintenance! Poppy Rue is the demanding Manger of Corporate Events and ruthless corporate gossip! Never confide in Poppy Rue if you don't want it immediately blasted out via a corporate email!

Very fashionable, 'high statement' formal business attire.

GALE PIGWEED
Manager of Photographic Services

Gale Pigweed is the charming Manager of Photographic Services. Everybody is a friend to Gale and you never feel like you've skipped a beat in your friendship if you haven't seen her for a while. Gale is high energy and definitely a positive force within the company. Personally, however, Gale has troubled relationships and a compulsive gambling problem which leads to serious financial problems. She isn't afraid to ask those close to her for a loan and this can be quite uncomfortable.

Formal business attire. Tons of lotto tickets, horse race tickets (or other gambling type items) as optional props.

FORREST PEONY
Director of Building Services

The perfect mannered Forrest Peony is the meticulous Director of Building Services. Everything in Forrest's life seems to be in perfect order. He took the ideal career pathway, has the perfect 'school teacher' wife, and his kids are honor students at the top of their classes. What else can a man ask for? Everyone routes for Forrest but they have no idea he has a secret wicked side that is bursting to surface.

Formal business attire. Any type of power tool or 'handy man' type item as optional props.

**NORTH
HAWKE**

Lead Internal Auditor

Originally from Canada, North Hawke is the scrupulous Lead Internal Auditor at Worldwide Prestige, Inc. North is difficult to read during a conversation as you'll sense he analyzes every word you say. This is rather intimidating since he holds a position of authority in the company. North is a member of essentially every committee available in the corporation and this causes him to not be around his office much. There is a rumor floating around that North's team of auditors are not doing their jobs and fake their audit reports. His absentee style of management might be his downfall.

Formal business attire. A notepad to write down what everyone says as an optional prop.

LEO WOLFE

Manager of Foreign Affairs

There is no mistaking that Leo Wolfe is loving life. He is the Manager of Foreign Affairs at Worldwide Prestige, Inc. and would rather make a joke out of a situation than handle it with discretion. Leo is dead set on always doing the right thing and protecting those that are loyal to him. If employees find themselves in a locked debate, they call upon Leo to mediate as he's known for being unbiased and very fair to everybody in any given situation.

Formal business attire. Any type of silly item (i.e. rubber nose and glasses) as optional props.
