SYNOPSIS (THIS OUTLINES THE FLOW OF THE PARTY EVENTS).

The neighbors of Sunny Lane are an eclectic group of people. Most of them get along fabulously, but others have unfortunately plunged their wicked hooks into others, causing mayhem, despair, and serious misunderstandings. Nonetheless, the neighborhood Home Owner's Association has decided to move forward with the annual block party in hopes that it will bring those engaging in combat to a truce - and the neighborhood will live happily ever after in harmony.

This year, the block party will be held at Kris Angels' home. Kris is a professional magician that strongly upholds the Magician's Oath and Code of Ethics. Kris doesn't typically invite guests over for fear that magical secrets may become widespread knowledge. Rumor has it that Kris has rented a storage facility to hide certain gadgets, contraptions, and props from the guests.

You have received your invitation and cannot wait to soak up some sun, play backyard party games, and enjoy some delicious grilled food with your neighbors. This is where your story begins.

Host Instructions

FULL INSTRUCTIONS ARE IN THE PURCHASED GAME. THEY ARE BRIEF, YET DETAILED. OUR PARTIES ARE SUPER EASY TO HOST!

GAME STRUCTURE: the game is organized into four rounds and is structured as follows:

OPTIONAL PRE-GAME STARTER: these optional pre-game tasks are to be delivered to each guest before the party, or give them to the guests as they arrive. All pre-game materials are optional. They are intended to enhance the build up for the event. These tasks are not vital to solving the mystery. Also, encourage your guests to view the Your Mystery Party guest pre-game website to get them excited about your game (this is highly encouraged).

ROUND ONE: Deliver the round one clue card envelopes as your guests arrive. It is optional to serve cocktails for adults and appetizers.

ROUND TWO: Deliver the round two clue card envelopes. It is optional to break for dinner either before or after this round.

SOLUTION ROUND THREE: Deliver the round three solutions. It is optional to serve coffee/hot cocoa and dessert.

Don't host a party without some type of food/beverage offering - hungry guests are not happy guests.

SAMPLE

Example Timeline

7:00 PM: Guests arrive. Take guest photos and serve refreshments. Have the invited guest list available for the guests to view as they trickle into the party. Once everybody has arrived, snap a group photo!

7:10 PM: The host goes over the guest instructions for the mystery game. It is optional to have each character stand up and introduce themselves to the group. You can play the game trailer video for an introduction.

7:20 PM: The round one clue cards are handed out, and the game begins. The guests mingle and discuss the clues on their clue cards. Everyone should speak to every other player in the game, at least once. Motives will start to unfold during this round.

7:50 PM: An optional bonus game is played.

8:05 PM: An optional dinner is served. Snacks can be served throughout the party instead.

8:35 PM: The round two envelopes are handed out, and the guests mingle about with their pre-murder clues. They discuss the clues with every other player in the game.

9:00 PM: The victim is revealed, and the investigation of the crime begins. The mystery investigation sheets are handed out, and the guests interrogate each other (using the post-murder clues). Each guest should interview every player in the game and share/discuss the evidence.

9:15 PM: The forensic report is revealed.

9:30 PM: The investigation sheets (guesses of whodunit) are turned in to the host. After the sheets are collected, the guests may take turns accusing who they believe did it.

9:45 PM: Dessert and coffee may be served at this time. The round three solutions are handed out to the guests. Each player presents their solution, and the murderer confesses at the end. Allow a few minutes for the guests to mingle at the end to discuss the mystery.

10:00 PM: Another optional bonus game may be played &/or host an optional awards ceremony!

To shorten the mystery party, omit the bonus games, don't stop for dinner, omit the accusation round, and don't host an awards ceremony. Also, you can shorten the game even further by only having the required players read their solutions (or even just the murderer). If you wish to extend the length of the party, add more bonus games!

CHARACTER E – ROUND ONE

CLUES TO REVEAL DURING THIS ROUND

Mingle with others and discuss the following:

- 👉 Your band is finally going on tour. You've grown a local following in the town of Greenville, but are ready to expand your fan base and see the country.
- 👉 One of your best friends at this block party is Character S. Stand by her during the party.
- 👉 Tell Character A and Character B they should be better neighbors to Character Y. Character Y is the HOA president and must live by the rules and regulations. If they can't follow the rules, they will receive violations. It is how it is – they shouldn't blame her. Moreover, it is legal for her to put video cameras in her house in any location. Who cares if the cameras are aimed out the neighbors' windows – they should keep their blinds shut if they don't want to be filmed. It's a free country!
- 👉 Speak to Character L about the ADC (American Dog Club) National Championship. Why does she never win? Her dogs seem to be show-quality. She must be doing something wrong.

PERSONAL CLUES TO CONCEAL

- 👉 Your best friend, Character P, has two neighbors who complain all of the time. She films them through the windows, but if they would keep their blinds closed, they could keep things private! She blackmails people over the footage. You think it's genius. You and Character P are going on vacation with blackmail money!

ROUND TWO CARDS

CHARACTER K - ROUND TWO

Pre-Murder Clues

- ▲ Be honest about why you quit doing dog shows. Character Q bullied you, and Character N was your behavioral training specialist. Another theory you have is that Character Q may have paid Character N to sabotage your dog's behavior so she could win. But she never won a national title – so who knows what was going on? You'll never know, but Character N was training the dogs impeccably for years, and suddenly, your dogs didn't know how to behave during the shows. The timing corresponded with Character Q entering competitions.
- ▲ You think that Character M is an unscrupulous attorney. You've been hearing rumors of how she tricks the elderly into giving 10K retainers for no reason. You get it's a good idea to have legal representation handy, but if they've never needed it before – chances are, they won't as a retiree.

Post-Murder Evidence & Alibi (Blood Type A+)

- ☞ You never left the back patio once the party started, but many people were in and out of the house.
- ☞ You don't remember touching the murder weapon at any time during this party. If your fingerprints are on it, you would have no reason for it.
- ☞ If there are multiple fingerprints on the weapon- that means the murderer did not wipe the weapon clean and the murderer's prints are most likely on the weapon. Nobody was wearing gloves at the party.
- ☞ You are sure that Character W, Character I, and Character B left the party area at some time prior to the body being discovered.
