Contact the guest playing Dr. Feren Feathers and say that you want to adopt one of his dogs that he has rescued. You heard he has over 15 dogs living with him right now. You would like a companion to ride in the garbage truck with you and your partner. Ask him if any breed of dog is more resilient to the smell of trash.

BOGDANA GORBACHEV

OPTIONAL - for some pre-party fun, you can contact (email, phone, etc.) the following guests in the week leading up to the party:

Contact the guest playing Fiona Collins and tell her that you realize she wrote a letter to your supervisor at the airport trying to get you fired from your job. You were just doing your job when you searched her thoroughly at the checkpoint before her flight last month and she shouldn't take it personal. You *didn't* lose your job and you want her to know that you'll be watching her and she better not walk in a dark alleyway at night because you might be there waiting to get revenge.

(Contact info : _____)

Contact the guest playing Molly Moppers and ask her if Fiona Collins' is a client of her cleaning service. Say that if she is, you'd like to talk to Molly at the party about your plan for revenge.

MOLLY MOPPERS

OPTIONAL - for some pre-party fun, you can contact (email, phone, etc.) the following guests in the week leading up to the party:

Contact the guest playing Foghorn Fowler and say you heard a rumor that the conditions at the *Fowler Chicken Farm* weren't great. You are a personal maid and you are looking for new clients. You could clean up the chicken farm in no time! It can't be much different from some of your client's homes!

(Contact info : _____)

Contact the guest playing Bogdana Gorbachev and say that while you were cleaning Fiona Collins' home, you saw an interesting letter that was up on the computer monitor screen. It was a letter addressed to the director of the *Transportation Security Authority* - Bogdana's employer! It talked about how unprofessional Bogdana was because she chose Fiona as a **victim** of a thorough search at the checkpoint before she boarded the plane about a month ago. You found it quite amusing but you bet Bogdana was furious if her employer has addressed the issue with her because you know that Bogdana is 100% professional and would never do the things Fiona wrote about in that letter.

OLIVE FORMATHE

OPTIONAL - for some pre-party fun, you can contact (email, phone, etc.) the following guests in the week leading up to the party:

Contact the guest playing Sandy Sommers and ask her not to mock you during the Annual Holiday Block Party. You absolutely think she is one of the most annoying people on the planet.

(Contact info : _____)

Contact the guest playing Chek Nicolson and ask him/her why s/he has to calculate everything to the nearest $\frac{1}{4}$ of a cent. You are a math major and can appreciate numbers and wanting to be accurate, but the day that you dined with your parents at *Cows on a Plate*, and the same waitress was serving your table and Chek's - you were delayed in getting your food for 10 minutes while Chek haggled over the price of the appetizer and how to split the amount of the bill with the others at Chek's table. It was ridiculous!

ROUND ONE CLUES:

SYLVIA PLANCE- ROUND ONE

**You are an adventurous world traveler...so make up stories from around the world!*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Talk to a few people about how you are certain that Fiona Collins has been sneaking into your greenhouse and stealing your exotic flowers that you have collected the bulbs for from around the world. Say that one of her coworkers who happens to be your good friend told you that Fiona has fresh cut exotic-looking flowers on her desk every day and that sometimes they are so fresh...they still have potting soil on them! This doesn't appear to her as though they are bought from a store. And what store in town would sell fresh cut *Bird of Paradise* plants and *Gloriosa Lillies*?
-  Talk about how you bought a new car about 2 months ago from the trickster at the car lot - Kommy Shone. Say that Kommy had a creepy way to make you feel pressured into buying a car. The radio in the car broke immediately and you're going crazy with boredom when you drive anywhere!

PERSONAL CLUES TO CONCEAL

-  You want to post cameras throughout your greenhouse so you can catch Fiona Collins in the act of stealing your exotic flowers. Some of the bulbs of the plants she is cutting flowers from are absurdly expensive because they are foreign and very rare. She probably doesn't even realize the amount of money she is costing you...and that it's breaking your heart as you went to a lot of trouble to get some of these flowers!

KAREN O'HARE- ROUND ONE

**You are a great listener and love to give fashion and style advice.*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Tell a few people about how Fiona Collins bleached her hair out *white* and then put a color on it and it was streaked and looked horrible so she came into you to have it fixed under an 'emergency' appointment. You fit her in and stayed at the salon working on her until 10:00 PM! During the consultation when you were discussing why her hair looked so badly, she never admitted to putting bleach on her hair - and that is a huge 'no no!' After you were done with her processing and color repairs...her hair was a little dry but it wasn't '*ruined*' as she told everyone that it was!
-  Ask Betty Berger what could have happened between her and Fiona. You thought they were both good friends and then they just started arguing over everything!
-  Ask Foghorn Fowler who is spreading the rumor about the chicken coops not being up to standards for raising chickens.

PERSONAL CLUES TO CONCEAL

-  You were so angry with Fiona Collins when she made up the story about you ruining her hair. You want to get even one day. Anyone who bleaches their hair the same day that they go to a hair stylist for a color repair should definitely disclose what they have just put their poor hair through!!! She's real lucky it didn't all break off!

LORA CINGABAR- ROUND ONE

**You are an aspiring pop idol so if you feel like performing - go for it...but you are horrible - you just think you're really talented! You are also a peace-maker so if anyone is not getting along, try to mediate the situation.*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Ask Foghorn Fowler how hard it is to raise chickens. Ask Foghorn if there are certain methods you have to do it and if any of them ever get out or anything.
-  Tell a few people that Fiona Collins and Roxy Rich were both at the Lizard Lounge the other evening when you were performing. Fiona started heckling you out of the blue and Roxy Rich...who was sitting on the other side of the room joined in on the heckling. You have no idea why these two ladies have to be so rude. Just because you've tried out for the American Pop Idol television show for the last four years and last year, you made it to the 'bad reels' and were made fun of on national television...does NOT mean you don't have talent! You told Polly and Sinbad on your way out that *they'd be sorry one day because you are going to be a huge star!*

PERSONAL CLUES TO CONCEAL

-  Fiona Collins and Roxy Rich both humiliated you the other night. The regular customers at the Lizard Lounge always give you respect.
-  Polly and Sinbad - the judges on the American Pop Idol television show - have told you every year that you audition how horrible that you are and that you don't have an *ant booty's hair of a chance* of ever being a pop idol. You are still determined that it will happen.

DEE ZEINE- ROUND ONE

**You are extremely picky and impatient so if there is a chance for you to show either of those traits - DO IT ☺*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Confide in a few people about how funny you think it is that Sandy Sommers and Fiona Collins got into an argument about who looked more horrible in a bathing suit when they were lifeguards together last summer.
-  Tell a few people that you did about \$5,000.00 worth of work on Fiona Collins home and she never paid you. Say that she says now that she doesn't like what you and your crew did so she doesn't have to pay you.

PERSONAL CLUES TO CONCEAL

-  You are extremely angry with Fiona Collins. She said it herself that she was happy with your work, but then 1-2 days later when the invoice arrived on her doorstep...she was all of a sudden a very unhappy customer. You can't take all of the planning, repairing, creating and painting back that you and your crew did...so you're just out of luck. You want revenge.

TEX BULTAMER- ROUND ONE

**You very chivalrous so tend to the ladies' needs in a very polite manner. To the men, you are very blunt and you tell it like you see it. Have fun with it.*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Tell Lacey Kringle that you appreciate her opening her home to everyone for another Holiday Party.
-  A few people at this party seemed to be very stressed. Find out what is ailing them and see if you can come up with a solution for them.
-  Ask Betty Berger what could have happened between her and Fiona. You thought they were both good friends and then they just started arguing over everything!

PERSONAL CLUES TO CONCEAL

-  You really don't have any issues with any females at the party. Boys (because they're definitely not men) who don't take care of their business or who are not honest - get on your last nerve and you just want to straighten them out.

CALLAHAN COPPA- ROUND ONE

**You have no self-esteem - act very meek.*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Tell everyone how you pulled over Fiona Collins for speeding and you both pulled into a grocery store parking lot. Say that she got out of her car and ran up to your car and started screaming at you and denying that she was speeding. Say that not only did you see her speeding past the other cars on the road, but your radar clocked her at 22 miles per hour over the posted limit so there's no way your equipment could be that far off from her tachometer...she was speeding! Say that a crowd drew to watch the scene and then it was in the paper the next morning because the reporters in town have nothing better to do than follow the police around! The picture that the reporters took was of you cowering and Fiona angrily yelling and pointing in your face. You looked ridiculous and like a major coward. You were absolutely humiliated and the Chief of Police put you on probation because you never ticketed her for *anything* and let her get away with about 5 different offenses she should have been charged with including the moving violation, expired inspection sticker, no proof of insurance, disturbing the peace and assaulting a peace officer.

PERSONAL CLUES TO CONCEAL

-  You despise Fiona Collins. Ever since that story was reported about you in the newspaper, you haven't gotten any respect from anyone in town! You fear that your career as a police officer might be over.

BILL YURDZ- ROUND ONE

**You are very mean spirited to those you do not care for. Have fun with that!*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Tell everyone that you are the *hometown hero* when it comes to billiards. You've won the international championship for the last five years and you're internationally famous in the world of billiards. You even got a cereal sponsorship with *Melloggs* for you to be featured on the box of the *Post Toasty Toast* cereal. That is, until you entered the local Annual Billiards Tournament at the Lizard Lounge just for fun. Like any amateurs in town would have been able to beat an international champion! But in the first round, when you played against the nerd - Poindexter Milton - he beat you because Fiona Collins kept screaming at you to 'miss' and you kept whiffing the ball. She did it every time you tried to shoot and she caused you to lose the game...to an amateur nerd! So, you didn't make it past the first round! You were absolutely humiliated. There was a big write up in the newspaper the next morning about how you had lost your touch.

PERSONAL CLUES TO CONCEAL

-  You wanted to strangle Fiona Collins the day that she caused you to get knocked out of the first round of the local billiards tournament. You know she was just doing that to be hateful because you've never given her the time of day.

POINDEXTER MILTON- ROUND ONE

**You are extremely nerdy and love to impersonate other people at random times - very loudly. Have fun with that!*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Tell a few people that you have been asking Fiona Collins to be your girlfriend or to at least go on a date with you for a very long time. Say that she hasn't agreed to give you a chance yet - but she will one day.
-  Tell 1-2 people that you entered a local billiards tournament and you played against the international champion who lives in your neighborhood - Bill Yurdz. Say that Fiona was there and she was screaming at Bill every time he went to make a shot and so he missed each time. You ended up winning that game against Bill and you're pretty sure Fiona did it all for you. Some say she did it because she's just a mean person...but you know she wanted you to win because she likes you.
-  Ask around to see who has the flash drive with the most gigabytes. Make fun of anyone who has fewer than 128GB.
-  Ask Fiona Collins if she will be your girlfriend. You'd love to take her to this computer science museum exhibit on Sunday. There will be old Commodore 64s on display and the history of the mouse will be chronologically organized and made into a wall sculpture. Say it should be absolutely fascinating.

PERSONAL CLUES TO CONCEAL

-  You couldn't stand the thought of Fiona Collins dating another man. She is going to be your wife one day...she just hasn't agreed to the terms yet.

PAT RIVERA- ROUND ONE

**You are constantly looking for an interesting story!*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Ask Tator Salsbury for any leads on stories. Say that s/he must hear some juicy gossip from the local junior high kids. If s/he doesn't have a story, tell him/her to call you the moment a story breaks loose.
-  See if there is any merit in the story about Fiona Collins and Sandy Sommers getting into a skirmish at the neighborhood swimming pool. See if you can make it into something bigger than it is.
-  Ask Lectron Watts if s/he knows about anything going on in town. S/he gets to go into people's homes and s/he must have seen or heard something that can give you a lead for a story. If s/he knows nothing, tell him/her to let you know if anything ever comes up.
-  Tell a few people that this *story drought* is going to make you and a few of your colleagues lose their jobs. The local nightly news is so boring nowadays because nothing happens in this town and you've got to get a story to report soon or you'll be the first one to get the axe!

PERSONAL CLUES TO CONCEAL

-  You are not above doing something yourself to create a story that you can report on!

PAT RIVERA'S CREW - ROUND ONE

**Remember, Pat is constantly looking for an interesting story!*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Go with Pat to ask Tator Salsbury for any leads on stories. S/he must hear some juicy gossip from the local junior high kids. If s/he doesn't have a story, Pat will tell him/her to call your group the moment a story breaks loose.
-  See if there is any merit in the story about Fiona Collins and Sandy Sommers getting into a skirmish at the neighborhood swimming pool. See if you can make it into something bigger than it is.
-  Go with Pat to ask Lectron Watts if s/he knows about anything going on in town. S/he gets to go into people's homes and s/he must have seen or heard something that can give you a lead for a story. If s/he knows nothing, tell him/her to let you know if anything ever comes up.
-  Tell a few people that this *story drought* is going to make you and a few of your colleagues lose their jobs. The local nightly news is so boring nowadays because nothing happens in this town and you've got to get a story to report soon or you'll be the first one to get the axe!

PERSONAL CLUES TO CONCEAL

-  You are not above doing something yourself to create a story that Pat can report on – you don't have a job if Pat doesn't!

Make as many copies of Pat's crew cards as you need for the expanded team.

DR. FEREN FEATHERS - ROUND ONE

**You are the neighborhood vet who loves to spout off movie quotes during conversations with others.*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Talk about how you heard that Kommy Shone sells 'lemons' over at the local car lot. Ask around to see if this is true.
-  Ask Betty Berger if it is true that she was offered a job at the same telemarketing company as Fiona Collins. Ask her how this will work out if these two do not even get along.
-  Ask Norma Nightshade how her nightly television show is doing. You're a big fan and hope nothing ever changes.

PERSONAL CLUES TO CONCEAL

-  You heard that Fiona Collins doesn't care for animals. You can't comprehend how someone wouldn't love animals. You don't think you like her very much. Snub her and show her what it is like to be disliked *for no reason*.

DAMIAN D'BRI - ROUND ONE

**You are a high energy waste collector who rolls a lucky coin over your knuckles, takes extra-long strides and if someone tells you a story – next time you witness them telling the same story – add the details before they have a chance to as if you were there (but you were not, obviously). Have fun with that!*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Ask Tator Salsbury what Fiona Collins was laughing at him/her for at the mall not too long ago. You witnessed the scene but couldn't figure out what was so wrong with Tator for Fiona to act so hysterical and immature.
-  Ask Betty Berger what could have happened between her and Fiona. You thought they were both good friends and then they just started arguing all of the time!
-  Ask Foghorn Fowler who is spreading the rumor about the chicken coops not being up to standards for raising chickens.
-  Talk about how Fiona Collins leaves twice the amount of trash on the curb as she is allowed and the people of the neighborhood call and complain to the city. Fiona told your supervisor that your crew is not picking up her trash half of the time and so it is piling up. She is a big liar and is trying to get you in trouble. She doesn't want to pay the additional 'bulk trash pickup' fee that would be assessed if you came back out and picked up the rest each week.

PERSONAL CLUES TO CONCEAL

-  You wouldn't mind if Fiona moved from the neighborhood. You despise liars and are afraid that she'll eventually get you fired.

BOGDANA GORBACHEV- ROUND ONE

**You are a very blunt and stringent airport security officer. You are not tolerant to anything and you always whistle the 'Andy Griffith Show' theme song every time you walk. (If you cannot whistle, hum the theme song.)*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Ask Foghorn Fowler how difficult it is to raise chickens. Ask Foghorn if any of the chickens ever escape.
-  Tell a few people that Fiona Collins and Roxy Rich were both at the Lizard Lounge the other evening. Fiona started heckling the lounge singer and Roxy Rich - who was also there – started heckling too. You left because you felt sorry for the performer and because the heckling ruined the show. You can imagine how angry the lounge singer was!
-  Talk to a few people about how Fiona Collins was traveling across country about a month ago and she entered your checkpoint line at the airport security gate. You selected her for a thorough search as you are supposed to select individuals at random to be searched. You chose her since she looked like she was 'up to no good.' She became abusive to you during the search and later wrote a letter to your supervisor at the *Transportation Security Authority* with some lies about how unprofessional you were. You did get into trouble, but you were not fired.

PERSONAL CLUES TO CONCEAL

-  You will get even with Fiona Collins one day. You are working on a 'master plan.' You'd like to get access inside her home and completely wreak havoc with her life by emailing her friends and family from her email account on her computer, switching out her salt and sugar, cutting holes in the seat of her pants, etc.

MOLLY MOPPERS- ROUND ONE

**You are the charming personal maid with a voice made for cartoons. You are a 'know it all' so you never take anyone's advice and if they tell you anything – you already knew it.*

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Confide in a few people about how funny you think it is that Sandy Sommers and Fiona Collins got into an argument about who looked more horrible in a bathing suit when they were lifeguards together last summer.
-  Tell a few people that you are the personal maid to Fiona Collins and Roxy Rich. You think that both of them are offensive slobs and you are currently looking for more work so you can quit cleaning both of their homes. Fiona is so rude, she will make a huge mess on purpose right before you arrive – just so she gets her money's worth! Moreover, Fiona *never* pays you on time and currently owes a balance on her account of over \$300.00! Roxy makes you run her errands – even though it is not in your contract!

PERSONAL CLUES TO CONCEAL

-  Fiona took a bag of rice, dumped it on the kitchen floor, and told you that if she found one grain of rice on the floor within the next week, you wouldn't be paid for that day. This is only one of many examples of how she mistreats you when you arrive to clean her home. You really despise her but you unfortunately need the money. That is, if she ever pays what she owes!
-  Roxy Rich tries to make you do more than clean her home. She treats everyone that works for her as her full time personal assistants and you are a cleaning service – not a grocery pick up service, not a dry-cleaning service and definitely not a dog groomer! Roxy pays well, but it is not worth it! Try to pick up some different clients at this party!

OLIVE FORMATHE – ROUND ONE

*You are the socially awkward math major from the local university. While in conversation with others, always revert to talking about math and your love for equations, math history, etc.

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

-  Ask Foghorn Fowler who is spreading the rumor about the chicken coops not being up to standards for raising chickens.
-  Tell Lacey Kringel that you appreciate her opening her home to everyone for another Holiday Party, however, you are feeling very awkward being around all of these people. You'd be much more comfortable at a library with your books – especially because Fiona Collins is here. You wished Lacey wouldn't have allowed Fiona to come to the party.
-  Talk about how you heard a rumor that Sandy Sommers and Fiona Collins got into an argument about who looked more horrible in a bathing suit when they were lifeguards together last summer.

PERSONAL CLUES TO CONCEAL

-  Fiona Collins was in your first grade class. She used to encourage everybody to make fun of you because you are a nerd. You'll never forgive her. If you knew she was going to be here, you would not have come to this party!

ROUND TWO CLUES:

SYLVIA PLANCE – ROUND TWO

PRE-MURDER CLUES:

-  Tell everyone that you didn't want to admit it earlier, but when you were in Guangdong, China, you went to an auction at an Agricultural Science center. It was a rare flower bulb auction and you placed a bid on an extremely rare Transgenic Guangdong Orchid and you won! You paid 1.68 million Yuan for the orchid bulb. Tell everyone this converts to about \$202,000.00 U.S. dollars! The bulb only gives one flower every five years and this flower is one of the flowers that Fiona Collins stole from your greenhouse and put on her desk the other day!!! You've been nauseated ever since Fiona's coworker (your friend) called you and told you Fiona was bragging about how *exotic* the flower looked and refused to tell anyone where she got it. Your friend sent you a picture of it with her camera phone and you'd recognize that flower anywhere. You called the police but they wouldn't even file a report on a missing 'flower' and even laughed at you. You're still in shock and this is the first time you'd seen Fiona since it happened. She has no idea that you know for sure she took it.

POST-MURDER CLUES:

-  You saw Betty put down the weapon and didn't want anyone to pick it up and try to eat it after she did, so you put it in the trash receptacle in the nearest restroom.
-  You have not left the party room the entire night.
-  You never touched the murder weapon.
-  You remember the victim leaving the room and you did notice a few people were also not in the party room.

KAREN O'HARE – ROUND TWO

PRE-MURDER CLUES:

-  Talk to Betty Berger about why Fiona won't admit she borrowed that top from her.
-  Ask Lectron Watts what s/he is being blackmailed for. You overheard Fiona talking about it and you know she's a blackmailer so you put two and two together. Tell Lectron you are just curious and if she needs to talk about it, you'll be there to listen.
-  Tell a few people about how Fiona was spreading rumors about how you supposedly ruined her hair - and not telling anyone the crucial part of the story about how she put *damaging* bleach on her hair earlier that day and then, when it looked awful, she covered it up with a cheap dye! She purposely left out those details when you consulted her about her hair issues that day because she knew you wouldn't dare put anymore chemicals on her hair! Say that if word got out that you were careless with someone's hair, you could lose customers and hair styling is your livelihood!

POST-MURDER CLUES:

-  You did see Betty Berger licking on the rounded end of the murder weapon earlier tonight.
-  You saw Tator Salsbury leave the room earlier...but you can't be sure exactly when - it was before the murder though.
-  You are shocked. Wow, how did this happen? The murderer must be the one with the biggest motive.
-  You did leave the party room earlier - right after Tator Salsbury left.

LORA CINGABAR— ROUND TWO

PRE-MURDER CLUES:

- 🗨️ Ask Sandy Sommers how she feels about Fiona Collins dating her brother.
- 🗨️ Ask Betty Berger if she is really a compulsive liar. You heard a rumor that she was but had always thought that she was a truthful person.
- 🗨️ Ask Chek Nicolson what seems to be bothering him/her. Tell Chek s/he seems to be stressed about something.
- 🗨️ Tell 1-2 people that you'd like to get even with the hecklers who attended your show at the Lizard Lounge the other night - Roxy Rich and Fiona Collins. You'll be a big pop star one day and you will make sure that you get even with everyone who has wronged you in the past.

POST-MURDER CLUES:

- 💀 You saw Chek Nicolson in line for the restroom earlier tonight. You turned around and just thought you'd come back later when there wasn't a line.
- 💀 The murderer must be someone who is strong as that took some strength to do that!
- 💀 The murderer could have been wearing gloves.

DEE ZEINE – ROUND TWO

PRE-MURDER CLUES:

- 🗨️ Ask Foghorn Fowler if it is true that there is less than ideal living conditions for the chickens at the chicken farm. Ask if the chickens are fed on time. You know how important three meals a day are to you.
- 🗨️ Ask around for advice about what to do about Fiona Collins and the money she owes you. There is nothing 'tangible' you can take back from her as it was all hard work that you did - painting all of her walls and texturing them. You even put up your specialty - a crushed mirror wall up that took you about 30 hours to do!
- 🗨️ Ask Lacey Kringel about the court case against Fiona Collins. You've heard Fiona thinks she is entitled to more than 50% of their late great grandmother's estate!

POST-MURDER CLUES:

- 💀 You did leave the party room earlier tonight. You went to the restroom, but you can't remember exactly how long ago.
- 💀 The murderer is most likely the one with the largest motive.
- 💀 You are pretty sure that Betty Berger never left the party room tonight.

TEX BULTAMER – ROUND TWO

PRE-MURDER CLUES:

- 🗨️ Tell Foghorn Fowler that you'd be happy to come over and work with him/her on proper chicken farming. You grew up on a ranch and you are very experienced with chickens.
- 🗨️ Ask Fiona Collins about the court case with Lacey Kringel. You heard a rumor about these two ladies feuding over their late great grandmother's estate. Tell Fiona that ladies shouldn't argue. On the ranch, cowboys always find a way to come to a mutual agreement and would never have to take any matters into court.
- 🗨️ If there are any performers at this party (i.e. singers, dancers, comics, etc.) – ask them to perform for you!

POST-MURDER CLUES:

- 💀 You are pretty sure you saw Betty Berger handling the murder weapon earlier. But there were multiple of these that could have been the weapon - so who could be sure it was the same one?
- 💀 Tator Salsbury did leave the room earlier as you left at the same time, but you're not sure where Tator was headed. You left for a while and gave yourself a tour of Lacey's house.
- 💀 The murderer definitely isn't weak.

CALLAHAN COPPA – ROUND TWO

PRE-MURDER CLUES:

- 📄 Ask around for advice about what to do with your career. You were so embarrassed when Fiona humiliated you during that traffic stop and you have 60 more days left on your probationary period. Say that if you mess up once, you will be fired and humiliated publicly again and you're not sure if you can withstand that mentally.
- 📄 Ask Lacey Kringel about the court case against Fiona Collins. You've heard Fiona thinks she is entitled to more than 50% of their late great grandmother's estate!

POST-MURDER CLUES:

- 💀 Since you are a policeman, you should probably help with leading the investigation. Give your opinions on how you think the investigation should proceed.
- 💀 In your years of experience, you know that the murderer is most likely the one with the largest motive.
- 💀 You do not have a shred of a doubt that the victim died from the obvious stab wound. You've seen a few stabbings in your time.

BILL YURDZ – ROUND TWO

PRE-MURDER CLUES:

- 📄 Ask Lacey Kringel about the court case against Fiona Collins. You've heard Fiona thinks she is entitled to more than 50% of their late great grandmother's estate!
- 📄 Ask a few people about what you could do to get even with Fiona Collins. You lost your endorsement deal with *Melloggs* and you won't be pictured on the front of the *Post Toasty Toast* cereal box because you lost that amateur billiards tournament at the Lizard Lounge in the first round. You should have never entered such a low level contest that allowed people like Fiona to scream at you as you played.

POST-MURDER CLUES:

- 💀 You did leave the party room earlier tonight. You were angry at Fiona since you hadn't seen her since the tournament, so you had to blow off some steam. You went outside for a few minutes.
- 💀 The murderer is most likely the one with the largest motive.
- 💀 You heard Lacey Kringel say that she never left the party room all night. You can't be sure because you weren't in there the entire time, but when you were - Lacey was always there.

POINDEXTER MILTON – ROUND TWO

PRE-MURDER CLUES:

- 📄 Ask Fiona Collins to be your wife. You are tired of her running from you and you will soon never ask her again and she will regret it tremendously. Tell her that if you can't have her...nobody else should have her either.
- 📄 Ask a few of the other guys at the party for advice on how to make Fiona fall for you. You can't stand it if she keeps rejecting you. You have a feeling that she is just playing hard to get.
- 📄 Ask Sandy Sommers to go and ask Fiona out for you. Tell her that you'll return the favor for her with anything she wants.

POST-MURDER CLUES:

- 💀 You did leave the party room earlier.
- 💀 The murderer is most likely the one with the largest motive.
- 💀 You noticed Foghorn Fowler with the murder weapon earlier...or at least it was one just like it.

PAT RIVERA – ROUND TWO

PRE-MURDER CLUES:

- 📖 You heard a rumor that Fiona Collins is blackmailing someone. This might be a potential story.
- 📖 Ask Chek Nicolson why s/he cares about who paid the most money regarding the food and drink at the party. Ask him/her what s/he plans on accomplishing with those calculations because nobody is going to give any more money to anyone else to make up any differences.
- 📖 You have a gut feeling that Lectron Watts makes up stories. To test this, make up a story about how you went deep sea fishing in Alaska and caught a new species of a shark that could speak Japanese. If s/he makes up a story that sounds bigger and better than that...you know s/he is *full of it* most of the time and you won't ever want to pursue a story lead involving Lectron in the future that will only be debunked and make you look foolish.

POST-MURDER CLUES:

- 🕒 You did leave the party room earlier tonight. You went to the restroom and saw a line and turned around and went back into the party room. You figured you'd wait for a while - you hate lines.
- 🕒 The murderer is most likely the one with the largest motive.
- 🕒 You are so excited! This is the break you've been waiting for! Make sure to record all of the juicy details so you can go live with a news report!

PAT RIVERA'S CREW – ROUND TWO

PRE-MURDER CLUES:

- 📖 You heard a rumor that Fiona Collins is blackmailing someone. This might be a potential story.
- 📖 Go with Pat to ask Chek Nicolson why s/he cares about who paid the most money regarding the food and drink at the party.
- 📖 You have a gut feeling that Lectron Watts makes up stories. To test this, go with Pat to make up a story about how Pat went deep sea fishing in Alaska and caught a new species of a shark that could speak Japanese. If s/he makes up a story that sounds bigger and better than that...you know s/he is *full of it* most of the time and you won't ever want to pursue a story lead involving Lectron in the future that will only be debunked and make you look foolish.

(Each player on the team should make up their own story – for example, how an alien spaceship landed in your backyard, you met the President of the U.S. at McDonalds and you ate together, etc. Get together first as a group and come up with each of your stories that you will use to test Lectron with. Don't let Lectron catch on to what you are doing!)

POST-MURDER CLUES:

- 🕒 You never left the party room tonight.
- 🕒 The murderer is most likely the one with the largest motive.
- 🕒 You are so excited! This is the break you've been waiting for! Make sure to record all of the juicy details so Pat can go live with a news report!

Make as many copies of Pat's crew cards as you need for the expanded team.

DR. FEREN FEATHERS – ROUND TWO

PRE-MURDER CLUES:

- 📖 Ask Betty Berger what the deal is between her and Lacey Kringel.
- 📖 Ask Foghorn Fowler if it is true that s/he is being blackmailed. If it is true, find out who is blackmailing Foghorn.
- 📖 Ask Chek Nicolson about what is going on with Fiona's father's bank accounts. You just heard something about it but no details.
- 📖 Talk to Fiona Collins about how she feels about Sandy Sommers.
- 📖 Tell a few people that you heard a rumor that Fiona Collins dislikes animals – especially dogs – that are your favorite. You absolutely can't comprehend how someone can dislike animals!

POST-MURDER CLUES:

- 🕒 You saw Betty Berger touch the murder weapon earlier.
- 🕒 You have not left the party room the entire night.
- 🕒 You never touched the murder weapon.
- 🕒 You remember the victim leaving the room and you did notice a few people were also not in the party room.

DAMIAN D'BRI – ROUND TWO

PRE-MURDER CLUES:

- 📞 Ask Betty Berger if she is really a compulsive liar. You heard a rumor that she was but had always thought that she was a truthful person.
- 📞 Talk to Betty Berger about why Fiona won't admit she borrowed that top from her. You realize this is 'girl stuff' but it sounds so trivial you are trying to intervene and make it stop. You can't stand silly girl fights.
- 📞 Ask Lacey Kringel about the court case against Fiona Collins. You've heard Fiona thinks she is entitled to more than 50% of their late great grandmother's estate!

POST-MURDER CLUES:

- 💀 You did see Betty Berger licking on the rounded end of the murder weapon earlier tonight.
- 💀 You saw Tator Salsbury leave the room earlier...but you can't be sure exactly when - it was before the murder though.
- 💀 The murderer must be the one with the biggest motive. You should check out possible motives first and then investigate who *could have* done it.
- 💀 You did leave the party room earlier but you returned way before Tator Salsbury left the room.

BOGDANA GORBACHEV – ROUND TWO

PRE-MURDER CLUES:

- 📞 Ask Sandy Sommers how she feels about Fiona Collins dating her brother.
- 📞 Ask Lectron Watts what s/he is being blackmailed for and who is blackmailing her. You overheard something but you couldn't make out the details and are just curious. Maybe you can help.
- 📞 Ask Chek Nicolson what seems to be bothering him/her. Tell Chek s/he seems to be unhappy or something.
- 📞 Tell 1-2 people that you have a 'master plan' about how to get Fiona Collins back for trying to get you fired from your position at the airport. If they want to know, give them the details (*i.e. getting the maid service to allow your access to her home and then sabotaging anything you can get your hands on to wreak havoc in her life*).

POST-MURDER CLUES:

- 💀 You saw Chek Nicolson in line for the restroom earlier tonight. You turned around and just thought you'd come back later when there wasn't a line. You were not the only one who gave up waiting in line for the restroom and returned to the party area.
- 💀 The murderer must be someone who is strong as that took some strength to do that!
- 💀 The murderer could have been wearing gloves.

MOLLY MOPPERS – ROUND TWO

PRE-MURDER CLUES:

- 📞 Tell Foghorn Fowler that you were absolutely serious about cleaning up the chicken farm if s/he decides s/he needs you to. You really need the money – especially since some of your clients are not paying you on time anymore and you're not even certain if they will catch up with what they owe on their account.
- 📞 Ask Lacey Kringel about the court case against Fiona Collins. You've heard Fiona thinks she is entitled to more than 50% of their late great grandmother's estate!
- 📞 If Sandy Sommers is upset, go to her and try to make it better. You and Sandy are great friends and you don't like seeing her upset.
- 📞 Tell a few people about how upset you are with the way that Fiona Collins is treating you when you clean her home. You deserve respect and Fiona treats you like she is an evil dictator and you are a lowly peasant.

POST-MURDER CLUES:

- 💀 You did leave the party room earlier tonight. You went to the restroom, but you can't remember exactly how long ago.
- 💀 The murderer is most likely the one with the largest motive.
- 💀 You are pretty sure that Betty Berger never left the party room tonight.
- 💀 You should track down possible motives and then find out where everyone was when the murder occurred.

OLIVE FORMATHE – ROUND TWO

PRE-MURDER CLUES:

-  If there are any performers at this party (i.e. singers, dancers, comics, etc.) – ask them to perform for you!
-  Ask Lacey Kringel about the court case against Fiona Collins. You've heard Fiona thinks she is entitled to more than 50% of their late great grandmother's estate!
-  If Sandy Sommers is upset, find out what is wrong with her.
-  Tell a few people about how much you cannot stand Fiona Collins because of how she bullied you in first grade. She has always been rotten to the core and you can't stand her.

POST-MURDER CLUES:

-  You heard Lacey Kringel say that she never left the party room all night. You can't be sure because you weren't in there the entire time, but when you were - Lacey was always there.
-  The murderer is most likely the one with the largest motive.
-  You noticed Foghorn Fowler with the murder weapon earlier...or at least it was one just like it.

SOLUTION ROUND THREE:

The players in this expansion pack will not read their solutions in front of the other guests. Instead, after the murderer confesses, give the guests time to mingle and share their solutions with the other players (and discuss the mystery). If you are doing the optional awards ceremony, this is a good time for you to prepare your awards.

SYLVIA PLANCE- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"Fiona was a lowly thief. She stole my \$202,000.00 dollar Transgenic Guangdong Orchid from my greenhouse. See, I went to a rare bulb auction in China and won this bulb that only grows one flower every five years! She broke into my greenhouse early in the morning - like she often does - and cut it along with some other rare flowers just so she could have fresh, exotic flowers on her desk at work...and to brag about them to her co-workers! I despised her!"

KAREN O'HARE - FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"Fiona was dishonest. She lied to some of my friends and customers and told them that I purposely ruined her hair. She ruined her hair that day and I was a good enough person to fit her in for an emergency appointment to do some color repair. Please not, you must always be honest with your hairstylist, people! If you put any chemicals on your hair - admit it! Let us know! If we don't know what your hair has been through, we can't make a proper analysis on how to fix it! So was I angry? Yes, of course, but that is no reason for murder!"

LORA CINGABAR- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"Fiona was a heckler. A common, filthy heckler! But she wasn't the only one in this group...so if I was going to murder her, she wouldn't have been alone. In fact, let me go ahead and show you what they were heckling - I am the next American Pop Idol and will be a billionaire one day! (Sing the following Marilyn Monroe lyrics **but be completely HORRIBLE!**)

*Santa Baby, just slip a sable under the tree, for me
Been an awful good girl
Santa Baby, so hurry down the chimney tonight
Santa Baby, a '54 convertible too, light blue
I'll wait up for you dear
Santa Baby, so hurry down the chimney tonight*

DEE ZEINE- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"Dead women don't pay debts. Enough said. Gosh darn. I'll never get my money now!"

TEX BULTAMER- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"A cowboy hurt a lady? Outrageous! Of course I am not the murderer! But I'd consider tying a rope around the murderer's ankles and lettin' my bulls drag 'em around for a good while before they went off to jail! I believe in an eye *for an eye*."

CALLAHAN COPPA- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"Well, I swore to serve and protect and not to murder the citizens of this city. I can't say I'll miss her though. She humiliated me and made a spectacle of me when I was on duty, but I wasn't angry enough for murder. I don't know if I ever *could* harm anyone...even in the line of duty when it was necessary. So, maybe I shouldn't be a police officer after all? I mean, I have to take the murderer to jail tonight and I'm feeling very stressed about it. If you were to fight me, I'd probably run. So, I quit! Hey, I'm going to ask Foghorn Fowler for a job at the chicken farm!"

BILL YURDZ- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"Fiona was the sole reason that I lost the local Annual Billiards Tournament. I am not only the home town billiards hero; I am an international billiards champion! You think I would come home and lose to an *amateur*?! It happened because of Fiona Collins. Can I ever forgive her? Absolutely not! I think she got what she ultimately deserved."

POINDEXTER MILTON- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"I've asked Fiona to be my girlfriend for about 3 years now. She used to respond with mean messages and then she started just ignoring me. I liked it better when I at least got a response. My heart would flutter when I'd see a message from her in my inbox. Sometimes, I wouldn't even check it just so I could daydream that it was a love message from her. So why would I murder her? She was going to be my wife one day! She just hadn't come to terms with it yet is all and she was playing a mean game of hard to get. I am so forlorn right now, I need a hug."

PAT RIVERA- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"THANK YOU ALL FOR GIVING ME THIS WONDERFUL SCOOP. YOU HAVE SAVED MY JOB. SPECIAL THANKS GO OUT TO THE MURDERER! Which, by the way, isn't me *(or any of my crew)*."

PAT RIVERA'S CREW- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, GO WITH PAT TO MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"THANK YOU ALL FOR GIVING ME THIS WONDERFUL SCOOP. YOU HAVE SAVED MY JOB. SPECIAL THANKS GO OUT TO THE MURDERER! Which, by the way, isn't me *(or any of my crew)*."

Make as many copies of Pat's crew cards as you need for the expanded team.

DR. FEREN FEATHERS - FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"I seriously doubt that a dislike for animals could ever be a motive for murder. I am obviously an advocate for animals and Fiona was rumored to dislike animals – especially dogs that happen to be my favorite. The fact that this *animal loather* would attempt to 'save the chickens' in Foghorn's chicken coop is highly amusing. She obviously had ulterior motives for threatening to turn Foghorn over to the USDA. Fiona Collins had to go."

DAMIAN D'BRI FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"I am SO GLAD Fiona Collins is gone! My supervisor was starting to believe that my garbage collection crew was intentionally skipping the trash pickup at her home just to *mess with her* because of the false complaints that we had forgot to pick up her trash. She was an outright liar and massive trash generator! We are only allowed to pick up the waste in the trash bin assigned to our customers by the city. She always had DOUBLE the amount and would scatter her trash in little trash bags all around her garbage bin for us to go and 'scavenger hunt them all!' Don't think so, sorry! And where the heck was this trash coming from, anyway!"

BOGDANA GORBACHEV- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"Well, did I want to get some payback? Yes, I did. I had arranged access to her home through her cleaning service. I was going to pull tons of pranks inside her home to wreak havoc in her life and make her as miserable as she made me. I planned to send emails to her boss from her home email address saying that she hates him and wants to quit her job immediately. I was going to switch her salt with her sugar and cut holes in the seat of her pants and other cool but awful things like that. Now, my plan is ruined!"

MOLLY MOPPERS- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"*Whew!* I was tired of cleaning Fiona's home – especially since she essentially stopped paying me! However, as soon as I quit cleaning her house, I knew she wouldn't pay the balance she owed so I was rather stuck! She was awful and treated me with no respect. I'm not sorry that she's gone! Well, I suppose I am *somewhat* sorry since she can't pay me the balance she owes me now. Oh well."

OLIVE FORMATHE- FINAL SOLUTION ROUND THREE

AFTER THE MURDERER CONFESSES, YOU WILL MINGLE ABOUT WITH THE OTHER PLAYERS AND SHARE YOUR SOLUTION.

"Of course someone as brilliant as me would never commit murder. In addition, if I ever did, I definitely wouldn't do it at a party with a bunch of potential witnesses! Not guilty!"
