The lawbreakers stop in awe at the sight of Fabulox - just in time for others to take control of the scene.

DARK FANG

Powers of the dark side

Dark Fang draws on the dark side for superpowers. This makes some of the other superheroes uneasy, as they can't trust that this gothic idol is a member of the Justice Confederation for a good reason. However, this super vamp's done nothing to prove otherwise, so Dark Fang is still considered a trustworthy member!

RABBITRON

Powers of Speed

Lolo O'Hare comes from a small town and is a simple person with simple dreams. That is, until Lolo starts to run and morph into Rabbitron! Rabbitron is the fastest super hero in the galaxy!
