# Host Instructions

**GENERAL HOSTING:** during the party, your job as the host is to make sure the rounds flow correctly. As the host, you may choose to play any character you wish. You will pass out the clue cards to the guests at the appropriate times. As the mystery progresses, check on your guests to see if they are discussing the clues and implementing tasks on their clue cards (some players may have tasks). Encourage them to mingle with the other players, and not to rush anything. It's all about gossiping and sharing secrets! They should speak to every other player at least once during each round. Your guests are playing a character role, so they should embrace their character's lack of integrity and motives. With that said, if you opt to do the optional money challenge, you can instruct the guests to hold back secrets for money (see the bonus activity instructions for more details).

## Example Timeline

**7:00 PM:** Guests arrive. Take guest photos and serve refreshments. Have the invited guest list available for the guests to view as they trickle into the party. Once everybody has arrived, snap a group photo!

**7:10 PM:** The host goes over the guest instructions for the mystery game. It is optional to have each character stand up and introduce themselves to the group. You can play the game trailer video for an introduction.

**7:20 PM:** The round one clue cards are handed out, and the game begins. The guests mingle and discuss the clues on their clue cards. Motives will start to unfold during this round.

**7:50 PM:** An optional bonus game is played.

**8:05 PM:** An optional dinner is served. Snacks can be served throughout the party instead.

**8:35 PM:** The round two envelopes are handed out, and the guests mingle about with their pre-murder clues.

**9:00 PM:** The victim is revealed, and the investigation of the crime begins. The mystery investigation sheets are handed out, and the guests interrogate each other (using the post-murder clues). Each guest should interview every player in the game.

**9:15 PM:** The forensic report is revealed by the host. The guests can discuss the report and/or view it as individuals – however they choose to use the information is fine.

**9:30 PM:** The investigation sheets (guesses of whodunit) are turned in to the host. After the sheets are collected, the guests may take turns accusing who they believe did it.

**9:45 PM:** Dessert and coffee may be served at this time. The round three solutions are handed out to the guests. Each player presents their solution, and the murderer confesses at the end. Allow a few minutes for the guests to mingle at the end to discuss the mystery.

**10:00 PM:** Another optional bonus game may be played &/or host an optional awards ceremony!

To shorten the mystery party, omit the bonus games, don't stop for dinner, omit the accusation round, and don't host an awards ceremony. Also, you can shorten the game even further by only having the required players read their solutions (or even just the murderer). If you wish to extend the length of the party, add more bonus games!

**OPTIONAL PRE-GAME TASKS**- The following tasks are completely optional and exclusion of them does not alter the mystery in any way. However, it does lead to pre-game build up and excitement! Input your guests' information below. The usual method of contact is via email. Print the game and cut out the task cards and slip them into envelopes. Send about 1 week prior to the party.

### **CHARACTER I**

**OPTIONAL - FOR SOME PRE-PARTY FUN, CONTACT THE FOLLOWING GUESTS BEFORE THE PARTY:**

**Contact** the guest playing your husband, **character T**, and tell him that you're in luck - the Candyman just RSVP'd to your Valentine's Day dinner party at the Mio Amore Café.

**CONTACT INFORMATION:**

**Contact** the guest playing **Character N** and say that you hope that she and her husband can make it to your Valentine's Day soiree at the Mio Amore Café! You heard about the hunting accident 6 months ago and hope that everything is alright between everyone.

**CONTACT INFORMATION:**

**each player will have a pre-game task card in the purchased game. names have been removed to minimize spoilers**

**Character y- Round one**  
**CLUES TO REVEAL DURING THIS ROUND**

During this round, mingle with other guests to discuss the following information with whomever you choose:

- ✔ Tell Character K your husband thought he saw some men that looked like secret service agents come into his chocolate store the other day. It could have just been his senility talking, however.
- ✔ Ask Character J about his plans to build a youth athletic training center in town. You think that it is nice when big celebrities take care of their home town. Even if they are mean and ill-spirited celebrities like him.
- ✔ Ask Character B about the rumor your dearest friend, Missy Candyman (her great grandmother), was poisoned and did not die of natural causes last week.

**PERSONAL CLUES TO CONCEAL**

- You aren't surprised rumors are circulating about Missy Candyman's murder last week. She was your best friend. She mentioned she thought someone was poisoning her. You told her she was being paranoid. She was old but healthy! Her death is suspicious. You do believe in 'an eye for an eye.' You've always wanted to see what it feels like to murder someone. You'd avenge your friend if you found out it was foul play.
- When you were a fragrance sales girl, you had threatened to kill a customer or two for wasting your time smelling fragrances and not purchasing anything.

## **CHARACTER W ROUND TWO**

### **PRE-MURDER CLUES:**

- ✎ If anyone asks, your wife is completely sane. You don't have any idea why anyone would say she wasn't.
- ✎ Ask Character R if it was truly an accident when he shot his wife's brother in the arm. It was such a horrible shot; you can't imagine how it was an accident. His wife's brother was nowhere near that deer!
- ✎ Tell your wife in private she might have a slight mental illness. You are concerned for her and think she should go to the doctor. You don't want to hurt her feelings, as it's probably stress, but she has been acting a little strange lately.
- ✎ Ask Character V about these men in suits that came to his chocolate shop. You heard everyone talking about it and you're just curious.

### **POST-MURDER CLUES:**

- ☠ Character T is a scientist and is an expert in biochemistry. S/he could definitely have pulled off this type of murder.
- ☠ Character E grabbed a glass off the display but put it back and grabbed a coffee cup instead. She probably just changed her mind.
- ☠ While the victim was gone, Character D gave the victim a refill in his/her glass and then set down the glass on a table. It was unattended for a minute or two. Someone could have put poison in it at this time...if Character D hadn't already done so.
