SYNOPSIS (THIS OUTLINES THE FLOW OF THE PARTY EVENTS).

Ebbie Smooge, C.E.O. of Widgets, Inc., was a miserly old soul who lacked a shred of Holiday spirit and treated the employees of Widgets, Inc. very, very poorly. Against Ebbie’s wishes, a Holiday party was scheduled by his most trusted and loyal assistant, Pat Head, in response to an employee petition and threat of a ‘walk out!’ So, the employees and their loved ones arrived at the party and immediately began to enjoy a relaxing cocktail and appetizer hour. Finally allowed to be around each other without the stresses of a high-paced work environment, the guests mingled with fun general trivia challenges and started to get to know each other outside of the work place. A few skirmishes broke out among the guests who were known to not get along too fabulously, but Pat Head got everything back on track with a fun ‘What Wintry Thing am I?’ game followed by a Holiday Scramble Challenge. A delicious dinner was served and the guests had a blast until...*a murder occurred!* The guests rallied together to figure out whodunit before the police arrived. The negative press of an unsolved murder was certainly the type of media attention that Widgets, Inc. did not need. After an intense investigation, the guests took a break and played an exciting game of Corporate Taboo. Then, with dessert and coffee, the guests accused who they believed the murderer was and after everyone took turns coming clean with their involvement with the murder...the murderer confessed! After a fun game of Corporate Charades, the party was over and the murderer was escorted away by the police! Overall it was an awesome and very memorable Holiday party!

Get ready for a fun Holiday with the *MURDER AT THE HOLIDAY PARTY OF WIDGETS, INCORPORATED* game from mymysteryparty.com! This light-hearted game is a light sleuthing mystery where the players will act out a fun corporate character while solving the entertaining and corporate-friendly mystery! The party can be a huge success as long as you and your guests relax and let the mystery unravel during each round.

The party pack (this document) needs to be printed in advance of the party. Cut out the clues and slip them into envelopes labeled with the appropriate round and character for each round of the party. It is optimal to choose different colored envelopes for each round.

FULL INSTRUCTIONS IN THE PURCHASED GAME ☺

To view a pdf file, you will need the free software, [Adobe Reader](http://www.adobe.com) – this can be downloaded at www.adobe.com. You will need the full version of [Adobe Acrobat](http://www.adobe.com) to cut and paste sections out of pdf file.

If you do not want to know the solution, do not view the final round of clues. For a complete surprise, you can elect the pre-printed 'party ready' party pack option from the mymysteryparty.com site and we will send you the clues in sealed envelopes and the rest of prepared game documents – 'ready to go' (this is an additional charge but a great relief for you).

THE GAME IS ORGANIZED INTO FOUR ROUNDS AND IS STRUCTURED AS FOLLOWS:

OPTIONAL PRE-GAME STARTER: these pre-game starters are to be delivered to each guest before the party or give them to the guests as they arrive. All pre-game starters are optional and do not alter the mystery and are intended to enhance the pre-game build up for the event. These clues are not vital to solving the mystery.

COCKTAIL & APPETIZER HOUR / ROUND ONE: Deliver these clues as your guests arrive. Serve appetizers and yummy drinks (eggnog cocktails for adults).

DINNER HOUR / ROUND TWO: Deliver these clues during dinner to your guests ☺

THE BIG REVEAL / SOLUTION ROUND THREE: Deliver these clues with hot chocolate (coffee) and dessert!

HELPFUL HINTS ON HOW TO PLAY A MYSTERY PARTY

GUEST INSTRUCTIONS

So you've been assigned a character and you've come to the party dressed in the most fabulous costume for your assigned character and have been told to play your role. So now what?

The mystery is separated into 3 main rounds of party play. During the party, you will be handed an envelope that contains the clues necessary for your character for the round. The clues for all of the characters provide everything that you need to solve the mystery. However, during the investigation segment of the game, you will need to ask the right questions and pay close attention to everyone's clues to be able to get the whole picture of what has happened.

time discussing issues with other guests. Make sure you speak to all guests in each round. Any guests who you feel might be hiding something...make sure to ask them loads of questions! You will be asked to submit a guess of 'whodunit' and why they did it at the end of round two.

From this point forward, you are to remain in character until the mystery is solved. If you are playing a 'green alien from Mars', then that is who you are until the end! Undoubtedly, your host has cast you into a character that you are comfortable playing. There are some characters that are designed to be played more reserved than other characters that should be played more boisterous. Feel free to play your role however you feel comfortable. Embellish your character's personality if you would like. However, if you are feeling more reserved tonight, you can opt to allow the other characters to approach you or you can simply listen in on others' conversations to get your information.

OPTIONAL PRE-GAME STARTER

HOST INSTRUCTIONS: Before the party, encourage your guests to view this mystery on the www.mymysteryparty.com website or use the free printable [My Mystery Party](#) invitations as they have the character list (without the required/optional designations) and the game synopsis included. This way, before the party, they can get familiar with the other characters that will be at the party.

This optional pre-game round is to be implemented approximately one week before the party. Please note that this round is designed to generate pre-game excitement and is not necessary to solve the mystery. The ways to deliver these starters are as follows:

- ✗ Cut and paste the starters from the PDF file into an email and send them to your guests.
- ✗ Print these starters and send them to your guests via snail mail - USPS.
- ✗ You can hand these to your guests as they arrive before you give the round one envelopes.

PRE-MURDER:

- 🌀 Tell everyone that you support Ebbie Smooge's decisions 100% and anyone who speaks openly against him should be immediately terminated.
- 🌀 Tell Follo N. Soxx that you feel very harassed by his department and that you will take it up with the Board of Directors. Say that you feel like a target and he creates a hostile work environment.
- 🌀 Ask 1-2 people if they know anything about money laundering. Say that you just didn't know how the process worked. If they know anything, ask them if they can help you. Say that again, you're just wondering if it really goes on.

POST-MURDER:

- 🌀 You know that Ebbie is a very clean person and has the cleaning crew come in every day. You were in the Ballroom constantly and then a final time after everyone leaves the offices for the day. If the murder was committed, these prints most likely belong to the suspect.
- 🌀 You were the one who discovered the victim. You left the Ballroom to search for the people who were missing as a lot of people seemed to have left the Ballroom around the same time. You wanted to be sure that they were not out in the corporate headquarters offices stealing office supplies or anything like that.

PERSONAL INFORMATION: (This information can be concealed from the other guests.)

- 🌀 You realize that a stainless steel letter opener would be easily wiped free of fingerprints. The lack of prints on the murder weapon might not mean anything at all.

Serve dessert and hot chocolate or coffee along with a delicious dessert. Instruct the guests to stand up in front of the group and read / act out their final solution round card one at a time in the exact order that is directed by the solution round cards.

The following is an optional activity, '**THE CORPORATE CHARADE CHALLENGE**' that can be played after the solution round.

ROUND THREE - OPTIONAL ACTIVITY 'THE CORPORATE CHARADE CHALLENGE'

GAME DIRECTIONS AND TOPICS IN THE PURCHASED GAME 😊

PENNY PINCHÉ- FINAL SOLUTION ROUND THREE – READ FIRST

The final solutions will be now be read. One by one in the exact order ins (with you) - each guest is to read their final solution round card to the group. Before you read your final solution, read the following music lyrics to the other band and name of the song:

*Money talks but it don't sing and da
And it don't walk. As long as I can have you
I'd much rather be _____ (_____)*

Answer: The artist is Neil Diamond and the song is "Forever in Blue Jeans"

You are not the criminal! You are the first one to read your final solution of the mystery to the group. Say the following to the group:

"I can admit that I am not sorry that this happened in the least. Follo N. Soxx was a horrible man with cruel intentions. Yes, I was hiding millions of dollars on the books from him and his auditors were hot on the trail...but it really doesn't give me a strong motive as I'm not the one who *earned* these funds...I am only following what my boss has instructed me to do with complete ignorance of *where* the funds came from. I'm innocent! I found the body, that's no secret, but I was only looking for about 4-5 people who had left the Ballroom. I was simply concerned and wanted to protect company property. I couldn't have people pilfering office supplies unsupervised."
