

**YOU ARE CORDIALLY INVITED TO ATTEND A MYSTERY PARTY...**

Fairy dust is the heart of what makes things magical in the fairy town of Tinkerville. Only a few fairies have enough power to make dust, and it takes a year to make a batch! Sparkles has created the annual batch of fairy dust for the town of Tinkerville, and it is currently drying the dust in the Tinkerville Courtyard. Hopefully, nothing will happen to the dust, as the fairies depend upon it to accomplish their fairy duties all year round! Mayor Fiona Feathers has asked that all fairies of Tinkerville try to keep an eye on the batch of dust! This is where your story begins!
