GGHS Forensic Club Members:

FIONA FROST

President and Founder of GGHS Forensic Science Club

In light of her exceptional sleuthing skills, Fiona Frost founded the Godley Grove High Forensic Science Club last year. The club has grown to become a serious investigative group that works closely with the Godley Grove police. Fiona is the respected leader of the group. Fiona's best friend and neighbor is Madison Christie.

MADISON CHRISTIE

Vice President of the GGHS Forensic Science Club and Varsity Soccer Player

Madison Christie is the longtime best friend of Fiona Frost. She is one of the most talented female athletes at Godley Grove High. She's a technology guru - if clues involve anything from computers to cell phones, Madison will figure it out. When she's not building computers, or solving riddles and crimes, she spends free time planning hilarious pranks on her family.

LAUREN HOPE

Secretary of the GGHS Forensic Science Club and President of the Math Club

Originally hailing from the UK, the serious-minded Lauren Hope is the reigning champion of the National Mathematics League. Typically seen wearing her military-inspired cap and chewing on a straw, Lauren can crack any numeric code! Lauren Hope is Doc's best friend.

WILLOW 'DOC' WALKER

Treasurer of the GGHS Forensic Science Club and Aspiring Physician

Willow Walker was nicknamed Doc by her friends since she's aspired to be a physician since the age of three. She spends free time training with doctors at the local family clinic. Doc is Lauren Hope's best friend. A loud-talker, she's the most outgoing club member who loves to dance and put together puzzles.

ELLA QUEEN

Member of the GGHS Forensic Science Club and Head Cheerleader

The most popular girl at Godley Grove High is Ella Queen. An effective communicator and social networker, Ella knows everything about everyone in the town of Godley Grove! If you need to reveal anyone's secrets, Ella's your spy, as she has the brains, ability, and popularity to pull it off!

SAMANTHA (SAMMY) SPADE

Member of the GGHS Forensic Science Club and Vice President of the Chemistry Club

The cheery Samantha Spade is the Godley Grove High top chemistry mastermind and National Academic League champion in science. As a hobby, she writes rap songs about the periodic table. Sometimes she teaches the freshman chemistry class for her teacher. Samantha is always seen in proper business attire, as she believes you never know when you'll meet someone you need to impress!

ADRO MONK

Member of the GGHS Forensic Science Club and Editor of the School Newspaper

The drama queen of the group is Adro Monk. She's the spunky editor of the Godley Grove High Newspaper. Adro's the school gossip, so never confide in her to keep a secret! Adro is a notorious note writer and has become an adept handwriting analyst. She's created a database of handwriting samples from everyone in the school.

PET COLUMBO

Member of the GGHS Forensic Science Club and Aspiring Forensic Profiler

Pet Colombo is an aspiring forensic psychological profiler. She's so awesome at profiling – she can guess what you're thinking by your mannerisms. A tad wild and hyperactive, this energy hoarder is the most mechanically-inclined member of the club.

DOLLY SAYERS

Member of the GGHS Forensic Science Club and Future Valedictorian

Dolly Sayers is the most hard-working academic of the group. She is the top of the class at Godley Grove High. When stressed, she sings instead of talks! She is an avid animal lover and works a part-time position as an animal groomer at Godley Grove Pet Depot.

MARGO ELLINGHAM

Member of the GGHS Forensic Science Club and Debate Club Champion

The newest student at Godley Grove High is Margo Ellingham. She recently moved to town from South Africa and landed a part-time job at Ozzies - a local burger joint. She's a bit argumentative and can be a one-upper. Therefore, whatever you tell Margo, she's likely to have done it more, faster, and better.

MASON PERRIMAN

Member of the GGHS Forensic Science Club and Varsity Soccer Player

Mason Perriman is the leading goal scorer on the varsity soccer team. Mason's a bit neurotic at times, so stay on his good side if you know what's good for you. Mason is one of the best field investigators, so it is best to allow him to be first on the scene.

EDWARD HARDY

Member of the GGHS Forensic Science Club and President of the Foreign Nations Club

Edward Hardy is one of the most popular boys at Godley Grove High. If he is wearing it, saying it, or doing it – everyone else will follow. Edward is a super sleuth when it comes to evidence from a foreign nation. He's from Australia and can speak five different languages!

THOMAS SWIFTMAN

Member of the GGHS Forensic Science Club and President of the Future Farmers of America Club

Thomas Swiftman is the energetic president of the Future Farmers of America Club and paperboy for the Godley Grove Newspaper. Thomas is a true friend to everyone and is knowledgeable about the town of Godley Grove due to his job. Also a budding stand-up comic, this guy is the life of any party!

WOLFE NERO

Member of the GGHS Forensic Science Club and Marching Band Drummer

Wolfe Nero is the notorious Godley Grove High class clown. The teachers wince at the semester's new roll sheets in hopes not to see Wolfe's name listed! He is one of the best drummers in the marching band and a skilled skateboarder. Wolfe's the best at determining the underlying cause of criminal behavior. He seems to be able to creep inside of criminal minds!

LOUISE ARCHER

Member of the GGHS Forensic Science Club - President of the GGHS Student Council

Louise Archer is the reigning President of the Godley Grove High Student Council. She is wired-in to the politics of the school and knows the teachers well. A fantastic volleyball player, she is also an amateur stunt woman. She loves to practice stunts on her trick bike. She's the fingerprint guru of the group, as she can identify a match to a fingerprint the fastest!

HULIE POIROT

Member of the GGHS Forensic Science Club and GGHS Elite Choir Member

Hulie Poirot is one of the leading members of the Godley Grove Elite Choir. She is also a budding pop idol and will appear on American Idol next fall. She has performed at local events in Godley Grove since she was only three. She's one of the best singers in town! She is knowledgeable about teeth, as aspires to be a dentist. If there's ever a bite mark to sleuth - she's your girl!

MISSY MARPELE

Member of the GGHS Forensic Science Club and Fiber/Tool Mark Specialist

Hailing from France, Missy Marpele is a budding fiber and tool mark specialist. She pays attention to detail during investigations. This investigator has one vice – an undying love for anything chocolate. She is a tad snooty and meticulous but is the most dependable member of the club.

DANA SKULLY

Member of the GGHS Forensic Science Club and GGHS Physics Club

This cliché-talking Physics Club diva can work out the dynamics of any crime scene in seconds! She'll effortlessly figure out who was where and who went where while discussing alien life forms and wormholes the entire time! Dana is a science geek through and through.

CARDEN DOYLE

Member of the GGHS Forensic Science Club and Rodeo Cowboy

Carden Doyle is the happy-go-lucky rodeo cowboy and forensic investigator. Carden's forensic strengths lie in his uncanny ability to sense animal behavior after an animal witnesses a crime. He can even make a bucking bronco be still by simply asking it to calm down. His friends call him the animal whisperer!

PETER MOORS

Member of the GGHS Forensic Science Club and Hartford University Research Assistant

Peter Moors is the outgoing class clown and brilliant scientist. He participates in molecular biology research with scientists from Hartford University in his spare time. He is a dedicated member of the Godley Grove High Forensic Science Club. His silly stunts and hoaxes keep everybody laughing and entertained.

MARLOWE WIMSY

Member of the GGHS Forensic Science Club and Member of the GGHS Jazz Band

Marlowe is the jazzy member of the Godley Grove High Forensic Science Club. Everybody flocks to the scene to hear the smooth melodies blaring from Marlowe's saxophone. Marlowe is a member of the GGHS Jazz Band and knows music well. If the crime has a rhyme or melody - he's the one to take the lead!

JEREMY ROCKFORD

Member of the GGHS Forensic Science Club and President of the GGHS Drama Club

Jeremy Rockford always lands the leading role in the school plays. He aspires to make it on the Hollywood big screen. Jeremy not only leads the Drama Club at Godley Grove High, but he's also a local celebrity because of the major roles he's landed at the Godley Grove Playhouse Theatre. This cool cat knows drama, so if a crime involves the theater - he's the lead investigator.

KATY BATES

Member of the GGHS Forensic Science Club and Founder of the GGHS Mock Trial Club

Katy Bates hopes to be a famous trial lawyer one day. She immerses herself in the field of forensic science to acquire as much knowledge about this side of the legal system as she can before she goes to college. Katy is ambitious and has already been accepted into an Ivy League college.

PAULA CAMBRY

Member of the GGHS Forensic Science Club and GGHS Dance Team

Paula Cambry is the energetic dance team captain and one of the newest members of the GGHS Forensic Science Club. Paula has only recently taken an interest in science but has found she has a knack for profiling. Maybe this is due to her being an incessant gossip? Nonetheless, she is spot-on with predicting criminal behavior.
