# THE ATHLETES

## **Dak Acheman** **Quarterback**

Dak Acheman is the ultimate role model at Polytech High School. He is the president of the Student Council, advocate for the D.A.R.E. program, president of the Ecology Club, as well as the quarterback and M.V.P. of the varsity Polytech Football team. In addition to being purely spectacular, Dak is one of the most dedicated friends, as there is nothing that he wouldn't do for a fellow teammate - or to win a football game.

## **T.L.** **Running Back**

T.L. is the brains of the football team. He is the president of the math club, member of the chess club, and is a senior this year with a 4.0-grade point average. He is in the running to be this year's valedictorian! In addition to his super intelligence, T.L. is the biggest heartbreaker of Polytech High School. Most girls will admit they have a puppy love crush on this handsome running back.

## **Larry Haylor** **Right Outside Linebacker**

Larry Haylor is a musician and a prankster. He's also one of the toughest linebackers in town! Larry's teachers often complain about having to watch this linebacker during class, as he will pull a prank when presented with the opportunity! If anything goes awry, Larry is *always* a prime suspect!

## **Mike Louis** **Strong Safety**

The mysterious Mike Louis is one of the most devious and sneaky boys in the school. This safety is superstitious, as he's never washed his football socks since he started playing football in sixth grade! He also wears them every day – even off the football field! His team has grown used to this unpleasant stench and is starting to believe their winning streak might be due to these stinky socks. However, his classmates are suffering!

## **Mickey Irving** **Wide Receiver**

The most outgoing and friendly boy on the football team is Mickey Irving. Everyone in school loves Mickey and constantly begs him to perform rap songs! Mickey's a talented rap artist. One day, he hopes to get a recording contract and become famous. That is, if he's not accepting a starting position as an NFL player!

## **Victor Bailey** **Cornerback**

Victor Bailey is the funniest boy in school. People love to hang around him, as he performs stand-up comedy routines! The only ones who don't appreciate his humor are his teachers. Victor is the ultimate class clown! Victor is also the founder and president of the Forensic Science Club. This super sleuth is often called upon by the principal to help investigate mysteries in the school.

**Reggie Black**  
**Defensive Tackle**

Reggie Black is a huge animal lover and is part of the Future Farmers of America (FFA) organization. This defensive tackle is known for his honesty and loyalty. Reggie is the one you can count on for help in any situation - especially if it involves animals!

**Mon Jackey**  
**Tight End**

Mon Jackey is the no-nonsense tight end on the Polytech football team. He's the archenemy of the prankster and trouble maker, Larry Haylor. Mon is an outstanding member of R.O.T.C. and has plans on becoming an officer and pilot in the U.S.A.F. after graduating college. This teammate doesn't find humor in pranks or jokes - he is all about business.

**Keyjohn Shawson**  
**Wide Receiver**

The all-star athlete, Keyjohn Shawson, is NFL bound...or NBA bound...or MLB bound! Already famous in town for his diverse athletic talents, Keyjohn is a valued member of every athletic team at Polytech High! Therefore, Keyjohn is the most competitive boy in school!

**Turner Michaels**  
**Running Back**

Originally hailing from London, England, Turner Michaels is the emotionless, one-upping running back on the Polytech football team. No matter what you've done lately, Turner has done it more often and better than you have!

**Eddie Regal**  
**Wide Receiver**

Watch your stuff around this wide receiver, as he is a known kleptomaniac! But Eddie Regal keeps everyone around him laughing with constant songs about the situations around him.

**Harrison James**  
**Left Outside Linebacker**

New to Polytech High this year, Harrison James is the ill-mannered but funny linebacker. The other players think he's a great guy, but they're unsure if he's ever played football before, as he isn't much of a team player.

**Abraham Johnson**  
**Defensive End**

Known as Larry Haylor's minion, Abraham Johnson is the obnoxious and egotistical defensive end on the Polytech High football team. This prankster duo is notorious, as last year's yearbook even had an entire page dedicated to the pranks that Larry and Abraham pulled during the school year.

**Whitney Whatley**  
**Cheerleading Captain**

Whitney Whatley is the cheerleading Captain of the Polytech High cheerleading squad. She takes her job as captain seriously! She runs a tight ship with her varsity squad, as they are the NCA National Champions for two years in a row!
